

Peter Stonelake - Montenegro

September 2011

ID Pete Stonelake

Subject Working as a proofreader, website programmer, English teacher

Non-work responsibilities

- Helping out with [EUS](#) student work in Niksic.
- Leading church teenager meetings in Niksic, co-ordinating music in worship services.
- Generally being active within the local Christian fellowship in Niksic specifically and also Montenegro as a whole. As Christ's ambassadors, people scrutinise our every action/reaction and I aim to give glory to God by having a godly (=good) reputation

"Lord, you have been our dwelling place throughout all generations... May the favour of the Lord our God rest upon us; establish the work of our hands for us..."

Psalm 90:1,17a (NIV)

Prayer & Praise

- **Summer teams** - This has been one of our most busy summers in terms of activities and visiting teams. We are very thankful for all the good work that has been done, and it is really important to note how many churches are partnering with us in communicating the good news with the people of Niksic and beyond. More details below.
- **Cornerstone visit** - This was the first time we had a formal short-term team from my home church, [Cornerstone Church, Nottingham](#), and it was a special privilege to host them and enjoy getting to know some students/young people from there.

This month

- **Student work** - As students come back mid-September from their summer break, we plan to start a new semester of student meetings and events. Please pray for wisdom and energy.

Other stuff

- **Busy Summer** - After a visit in July by people from [Faith Community Church, Oxnard, CA](#), who organised a children's holiday club, we had a team from [UCCE](#), who, as last year, helped run a student camp, at the ski resort of [Vucje](#). After that, we helped with the yearly [Camp Monty](#), and the team from [Cornerstone](#) joined us two days later for a 10-day stay.
- **Beer making** - I'm currently experimenting with home beer brewing - the first batch of Yorkshire Bitter met with general approval, probably mainly because of the novelty factor.
